Answer: _____

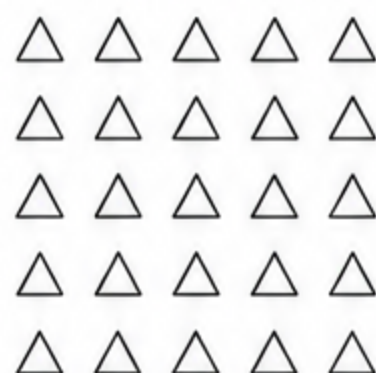

2.

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

Answer: _____

3.

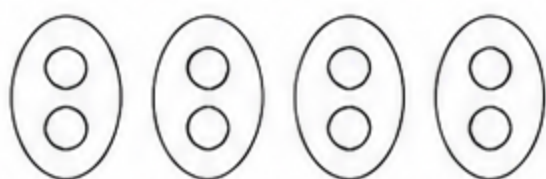

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

Answer: _____

B. Groups – Divide into equal groups.

4.

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

Answer: _____

5.

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

Answer: _____

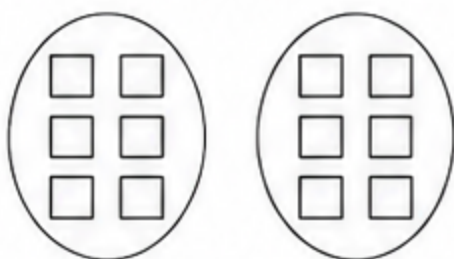

6.

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

Answer: _____

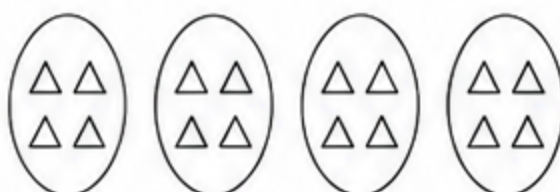

7.

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

Answer: _____

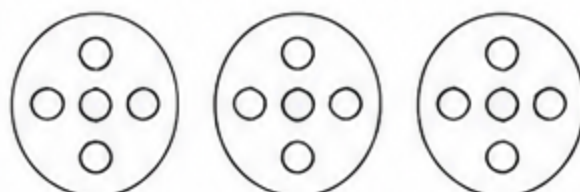

8.

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

Answer: _____

9.

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

Answer: _____
