

Name: _____

Date: _____

Picture Groups Multiplication

Count the objects in each group.
Write the multiplication equation that matches the picture.

1. 	$\underline{\hspace{2cm}} \times \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$ groups in each group total
2. 	$\underline{\hspace{2cm}} \times \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$ groups in each group total
3. 	$\underline{\hspace{2cm}} \times \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$ groups in each group total
4. 	$\underline{\hspace{2cm}} \times \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$ groups in each group total
5. 	$\underline{\hspace{2cm}} \times \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$ groups in each group total
6. 	$\underline{\hspace{2cm}} \times \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$ groups in each group total

Make sure each group has the same number of objects.
