

Reading Scales and Measuring Instruments

Year 7 – Measurement

1. Rulers – length

Read the length of each object and record your answer.

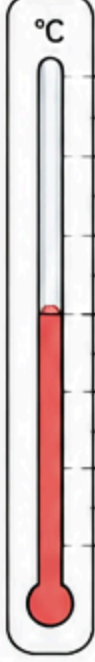

a)  Length: _____ cm

b)  Length: _____ cm

c)  Length: _____ mm

2. Thermometers – temperature

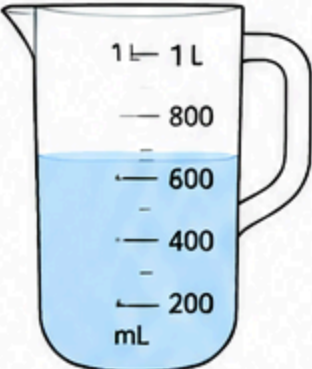

Read the temperature shown on each thermometer.

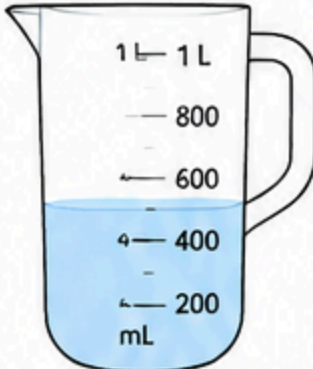

a)  Temperature: _____ °C

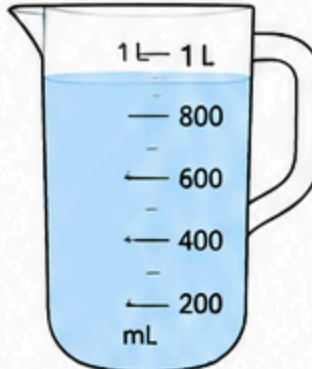

b)  Temperature: _____ °C

3. Measuring jugs – volume

Read the volume of liquid in each jug.

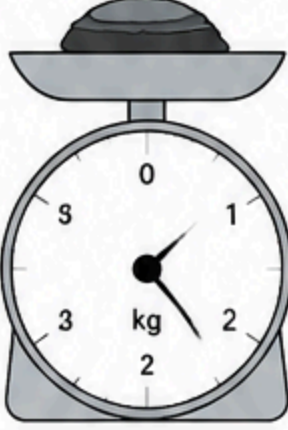

a)  Volume: _____ mL

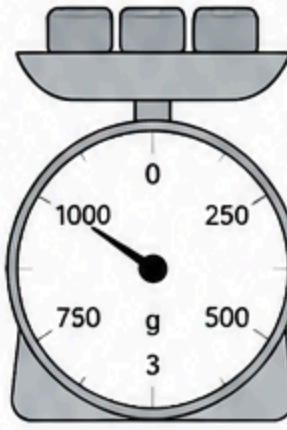

b)  Volume: _____ mL

c)  Volume: _____ mL

4. Weighing scales – mass

Read the mass shown on each scale.

a)  Mass: _____ kg

b)  Mass: _____ g

5. Mixed practice

Read each instrument and write the measurement with the correct unit.

a) Ruler  Length: _____ cm	b) Thermometer  Temperature: _____ °C	c) Measuring jug  Volume: _____ mL	d) Weighing scale  Mass: _____ kg	e) Ruler  Length: _____ mm
