

Picture Division: Group Objects Equally

Name: _____

Date: _____

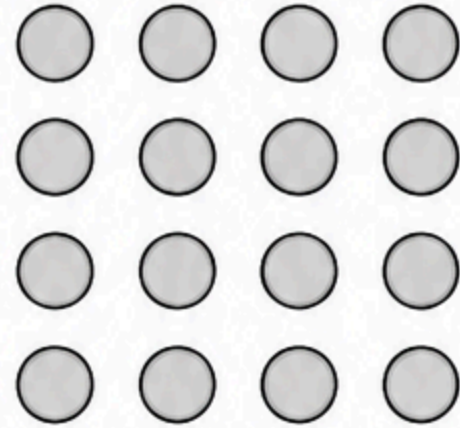

Divide the sets of objects into equal groups. Circle or draw lines to show the groups.
Write the division fact for each set.

1. Divide the 12 apples into 3 equal groups.

$$12 \div 3 = \underline{\hspace{2cm}}$$

2. Divide the 16 counters into 4 equal groups.

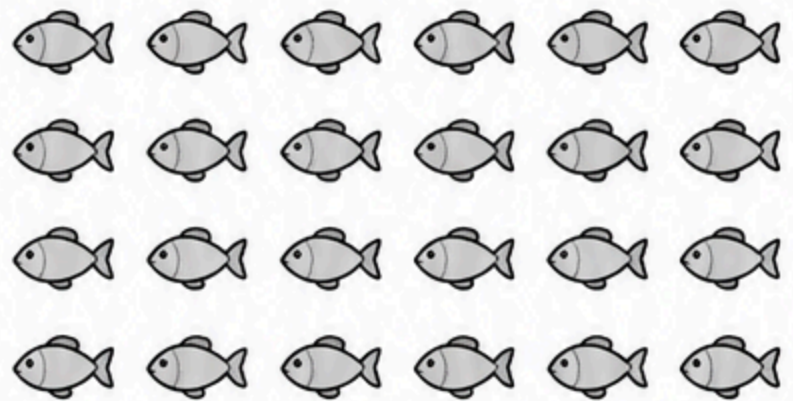

$$16 \div 4 = \underline{\hspace{2cm}}$$

3. Divide the 20 stars into 5 equal groups.

$$20 \div 5 = \underline{\hspace{2cm}}$$

4. Divide the 24 fish into 6 equal groups.

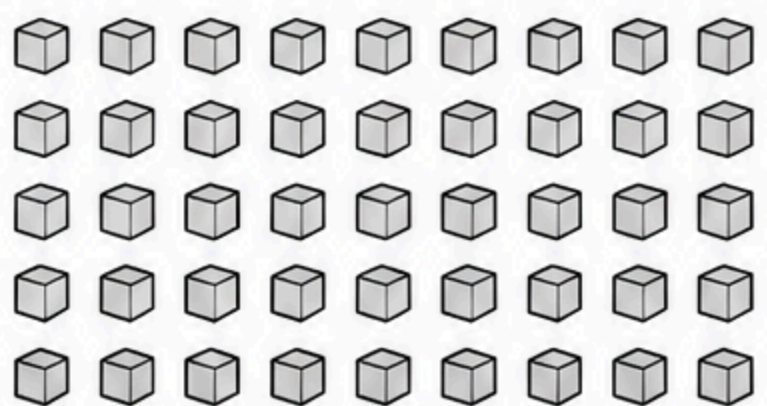

$$24 \div 6 = \underline{\hspace{2cm}}$$

5. Divide the 36 pencils into 9 equal groups.

$$36 \div 9 = \underline{\hspace{2cm}}$$

6. Divide the 48 blocks into 8 equal groups.

$$48 \div 8 = \underline{\hspace{2cm}}$$
